Radboud University Nijmegen

The IRMA pilot

- **Runs from November 2013 – April 2014**
- **For Kerckhoffs students only**
- **Technical contact**
 - Ronny Wichers-Schreur (ronny@cs.ru.nl)
- **Administrative contact**
 - Irma Haerkens (irma@cs.ru.nl)
- **All information you need**
 - <http://www.irmacard.org>
 - Register for a card here
 - Obtain additional credentials as well

Jaap-Henk Hoepman // Radboud University Nijmegen // 18-11-2013 // The IRMA pilot

7

Why a pilot?

- **To learn how IRMA cards behave in real life**
 - Reliability
 - Human perception
 - Usability
- **Measured through an evaluation**
 - Online questionnaire
 - Interviews with small number of participants
 - Performed between February and April 2014
- **And by looking at how system IRMA is used**

Jaap-Henk Hoepman // Radboud University Nijmegen // 18-11-2013 // The IRMA pilot

8

Why should you join?

- **Immediate benefits**
 - Cheap coffee
 - Free printing
 - SurfSpot goodies
 - Pseudonymous wiki access
- **Long term benefits**
 - Essential input to study practical aspects of a major research project
 - Improve usability of a new technology that can make future identity management systems much more privacy friendly
- **A lottery among active participants**

Jaap-Henk Hoepman // Radboud University Nijmegen // 18-11-2013 // The IRMA pilot

9

Directly contribute to IRMA

- **Through a master project**
- **During the pilot**
 - Build your own relying party
 - Build your own credential issuer
- **Technical session planned for December 2013.**
